

IAOMAS

Bringing the World Closer Together

National Australian Conference 2014

Your Western Australian IAOMAS Committee is proud to bring this International online martial arts organisation, and the true spirit of friendship right to your doorstep! This full day event will feature no less than five senior high-profile instructors leading practical training sessions for all participants, two presentations on sports medicine and nutrition, and an exciting martial arts demo. Since its inception, IAOMAS has had a huge success bringing schools together through our 'members train free while travelling' concept, our multi-discipline conferences and other social events. This event held here in Perth would be the first inaugural National event to coincide with the relaunch of IAOMAS world-wide.

Karate - Dr Nigel Farrier

Hapkido - Nigel May

Jujitsu - Debbie Clarke

Goju Ryu - Dan Djurdevic

Combatives - Andrew Hickey
